

# Virtual Virginia Wildlife

Now you can bring the magic of Virginia's wildlife to your students from anywhere! We're offering a complimentary subscription to the digital edition of our award winning *Virginia Wildlife* magazine to all teachers in Virginia. It's all the great content of the magazine, easily available online for you and your students. Published bi-monthly, *Virginia Wildlife*, produced by the Virginia Department of Wildlife Resources, includes informative and educational articles about Virginia's wildlife and wild places along with beautiful photography. The digital issues are accessible on desktop, tablet, or phone and can be downloaded and printed.

To access *Virginia Wildlife* online, please go to [viriniawildlife.gov/educators](http://viriniawildlife.gov/educators) and enter your school email address. You'll receive an email explaining how to access the magazines and also be alerted when new issues are available. Digital access starts with the January/February 2021 issue!

Complimentary Digital Subscription for Educators!
